Too Big For Her Britches

What if 'too big' turns out to be exactly the right size?

This **award-winning, partly autobiographical, solo musical** follows heroine Luna as she tries to make the right choices in life, while being undermined at every turn by her overbearing, narcissistic mother. Who will win in the inner struggle between her Shame, which drives her to **bulimia and alcohol abuse**, and her Warriress alter ego, who urges her to fight back against her mother's toxicity?

Both hilarious and heartbreaking, **Too Big For Her Britches** is written and performed by **Lisa Pezik**, who plays all 20 characters, as well as delivering 11 instantly hummable **original songs**, composed for the show with **Drew Lawrence**, whose music has been recorded by **Lea Michele**, **Leona Lewis** and **Shane Filan (Westlife)**, amongst many others.

Directed by **Heather Dowling**, **Too Big For Her Britches** has won awards at several fringe festivals and most recently, enjoyed two successful runs at New York's Off-Broadway Theatre Row. A compelling rollercoaster of emotions, the show will resonate with anyone who has ever felt lost, unimportant or disregarded.

Awarded **Best in Venue** - Ontario Fringe 2022 / **Official Encore Producers Award, Top 5 International** and **Gold Medal Award** - Hollywood Fringe 2022 Tvolution / **Official Encore Award** - United Solo Off-Broadway 2022.
