Crooked Path Theatre and Crooked Path Classics present the FIRST
international performance of this World Premiere Production.

By author Rob Bell ("Love Wins", "Where Did You Park Your Spaceship"),
one of Time Magazine's 100 Most Influential People in the World
(2011), "We'll Get Back to You" is a play for everyone who has had a
job, has been in an interview room, and has wondered if maybe there is
a better way to do all of this.

Featuring Jessica Link, Saffron Henke, Aaron Pozdol, Ron Clark,
Caroline Price and Chris Okiishi.

This 90 minute comedy starts with a job interview and then heads in
surprising and challenging directions, ultimately arriving at a deeply
human conclusion. "Hysterical", "A Delight", "Must-See Theater".

Director Kristin Hanggi, the creator of the Best Musical Tony Nominee
"Rock of Ages", "Romy and Michelle's High School Reunion: The
Musical", and "It's All Your Fault, Tyler Price" brings a Broadway
vision to the Edinburgh Fringe Festival and the Paradise Green stage.

Ms. Hanggi will be at the Festival and available for interviews. Mr.
Bell will be available for interviews via Zoom.
